LET'S HELP THE SCOUTS

The Cub Scouts at Kennard School will be collecting canned goods again this month. Expect to find a bag at your door November 12. Please fill it and leave it on your porch the following Saturday morning. We expect to hear from the Cub Scouts at our meeting.

WE WILL ALSO BE COLLECTING canned goods at the November meeting for St. John Lutheran Church.

WE ARE HAPPY TO E-MAIL THIS NEWSLETTER to anyone who wants it, but we will cheerfully accept your dues payment of \$7 to cover one member of the household.

THIS ISSUE OF THE NEWSLETTER

has been distributed by e-mail or by US mail to paid members who prefer. Contact our KHNA Executive Board Computer Specialist at caseycroy@sbcglobal.net if you haven't already. Please share a copy with any new neighbors.

LAST MONTH'S MEETING NEWS

Alderman Joe Vollmer reported on a bill before the Board of Aldermen to require pets to be "chipped" for identification as well as spayed or neutered. He explained how past Animal House donations could be used. City employees right now pick up only dogs reported as dangerous.

LAST MONTH'S GUEST SPEAKER

was Teresa Lange of the American Red Cross. She reminded us of emergency preparations we should make as winter approaches with the potential for ice storms and power outages.

OUR CHRISTMAS PARTY THURSDAY,

DECEMBER 15 Bring yourself and some cookies to share to our usual meeting site at 7:00 pm. There will be other refreshments as well as attendance prizes. We'll still be collecting canned goods.

OUR VERY OWN WEB SITE!

www.kingshighwayhills.com. Now more links, including links to the e-mail boxes of our Aldermen and NSO's, not to mention Mayor Slay's website and Twitter account.

SEE YOU IN NOVEMBER

Due to some other serious commitments, our NSO's and Alderman Joe Vaccaro were not present at the October meeting.

CITIZENS PATROLS

The newsletter of our Southampton neighbors reports efforts to organize a citizens patrol, as explained to us by Public Affairs Police Officer Don Veile in our September meeting. Volun-teers are asked to give four hours a month patrolling areas suggested by the police. City government and the police are encouraging efforts in several neighborhoods to start citizens patrols and other organized activities. A liaison police officer is assigned to the neighborhood. A coordinator of neighborhood activities would be needed. **If anyone reading this would like to participate or wants to know more, e-mail dlveile@slmpd.org.**

SPEAKING OF MAYOR SLAY'S

WEBSITE... There is much more about animal control issues than we reported on page 1 of this newsletter. **Go to the Mayor's blog and look up the November 3 entry in the archives.**

THE YARD WASTE DUMPSTER IS THE GREEN ONE...

A friend in another neighborhood once tried to correct a neighbor for misusing the yard waste dumpster, and the answer was, "Well, the trash came out of my yard!" **If you have some yard waste you've been meaning to carry out to the alley, do that soon; after mid-December (and until spring) the city will pick up from that dumpster only once a month.**

SOME HALLOWEEN HUMOR ALSO FOUND AT MAYORSLAY.COM...

What do you call two spiders who just got married?...Newlywebbed. (For those new to St. Louis: To get treats, our kids have to tell a joke first.)

NOW, HOW COULD YOU DESCRIBE KINGSHIGHWAY HILLS? Newlywebbed, as well.

SUPPORT OUR LOCAL BUSINESSES DO NOT HESITATE TO CALL THE POLICE ...It is not "bothering" them to call. 911 and 231-1212 go to the same dispatchers. Not sure it's an emergency? Let them decide.
